Milestone XProtect Professional+ Base License

- Base license for XProtect Professional+

Description

Xprotect professional+ offers comprehensive features such as built-in motion detection and alarm handling to ensure users are aware of and notified of incidents helping improve response times and decreasing false alarms. Xprotect Professional+ is powered by three user-friendly interfaces: XProtect® Smart Client, XProtect® Web Client and milestone Mobile. All XProtect clients are available in 26 languages and are flexible for users with different surveillance skill levels. The clients also help provide a great overview og the installation regardless of the user`s location.
