- Plug for WP handheld microphone P-66 or P-66/10
- Replaceable text label to each button
- Wall mounting, outdoor or indoor
- Local mute contact for external loudspeaker (from hardware version 4.0)

This weatherproof panel is a combined alarm and PA panel for use in a SPA-V2 public address and general alarm single system. The PA part can operate six public address zones. Can be used as a PA-panel or Alarm panel or in combination. Sixteen different configuration of alarm sounds available.

Local mute function is used to break audio to loudspeakers where proximity to pa panel cause feedback. Available from hardware version 4.0. This function must be in combination with relay box.
