CLMQ-200T

6" Ceiling speaker, high sound quality, 100V, 6W

- Suitable for installation on ceilings with a thickness of 5–25 mm

Description

This 6" ceiling speaker delivers high quality sound with a flat frequency response curve making it highly suitable for distribution of background music, announcements and voice messages with a high level of intelligibility.

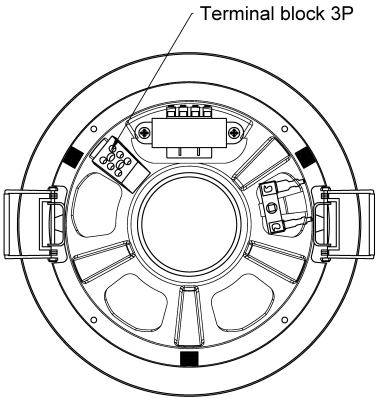

The speaker is easily mounted with two spring clamps and there are no screws in the front giving the speaker a discreet and elegant appearance.
