

1072629200

Turbine Substation Adapter Plate

This product is only available in the Americas

Description

- Powder coated black painted faceplate
- ✓ Faceplate is equipped with a seal to adhere to the back box when installed
- Allows installation of Turbine station models TCIS 1-6 (IP) and TCAS 1-3 (Analog)
- Allows retrofit for Turbine stations without having to remove existing back-boxes

The 1072629200 provides a means to replace a customer's existing station and retrofit the installation with Turbine models TCIS 1-6 (IP-based) or TCAS 1-3 (Analog based).

In addition to the 1072629200, a TA-5 bracket (1008140050) is required to mount the Turbine station to the mounting plate.

The 1072629200 adapter plate will allow for installation into mounting boxes listed under the 'Specifications' tab.
