P-9017

Handheld microphone, noise cancelling

- Dynamic noise cancelling microphone
- PTT
- Stovage Clip
- 1.2 m Curled cable and plug
- Indoor environments
- Complies with IEC 60945 Marine Equipment

Description

The P-9017 is a handheld noise cancelling directive microphone. The noise cancelling microphone is intended for CIS TalkBack system. It also fits with other products in Zenitel range where handheld microphone is required.

The P-9017 Dynamic Microphone comes with Push-to-Talk Switch, plug for easy connection and hangup clip included.

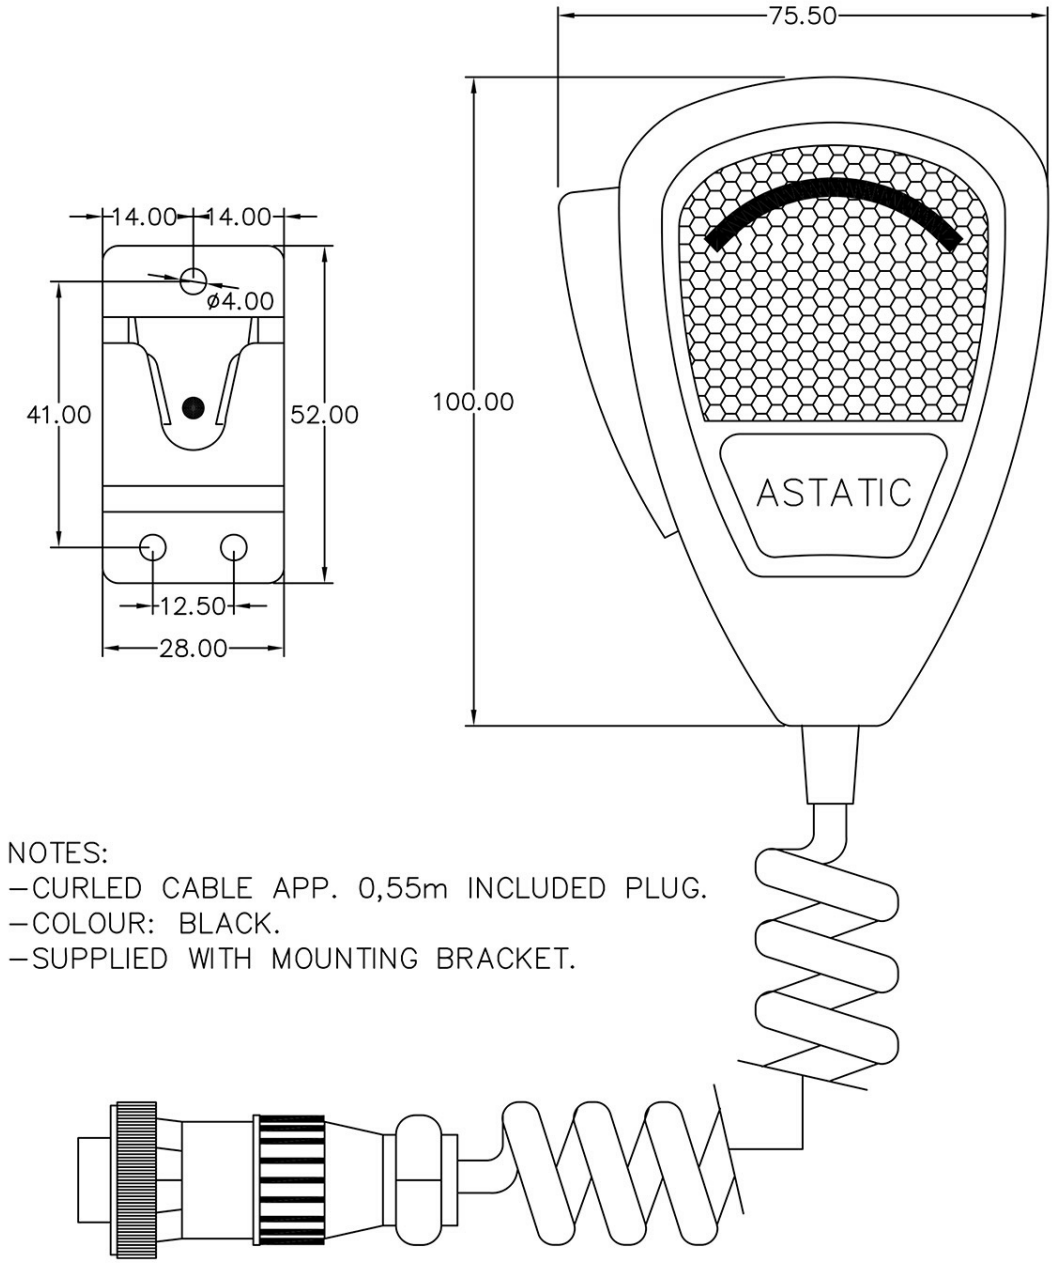

This handheld microphone is designed for various sound installations. The frequency response, especially tailored for voice communications, provides a crisp, clear, highly intelligible sound. The ergonomic teardrop housing is tough and the transducer resists atmospheric extremes.
