Onboard communication

Description

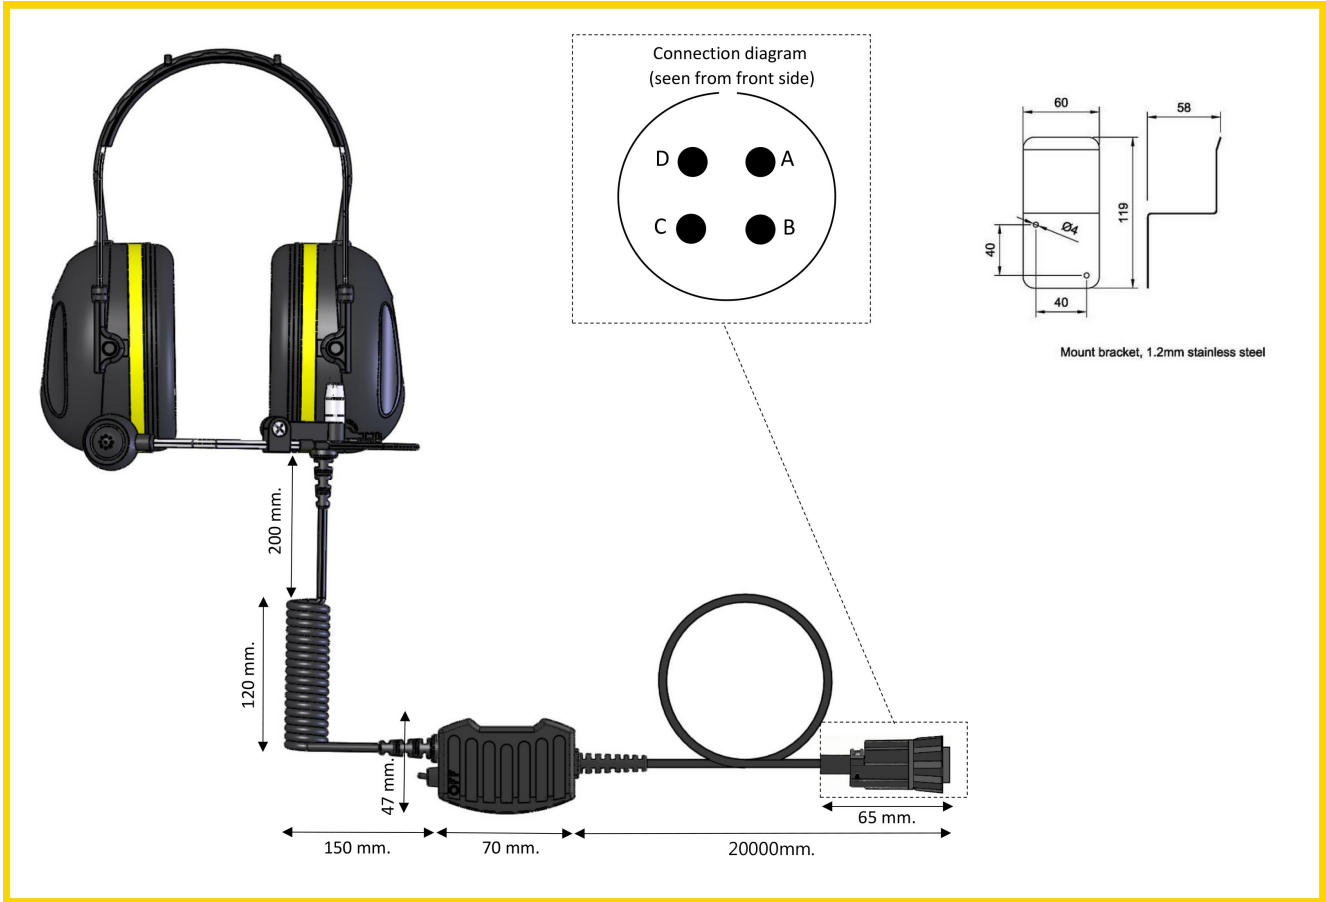

The VSP-36-PELP-A/20 headset brings hearing protection and communication in noisy environments to a higher level of performance with newly designed speakers and microphone.

The dual cups have a modern and slim look and are specially designed to provide excellent noise attenuation.

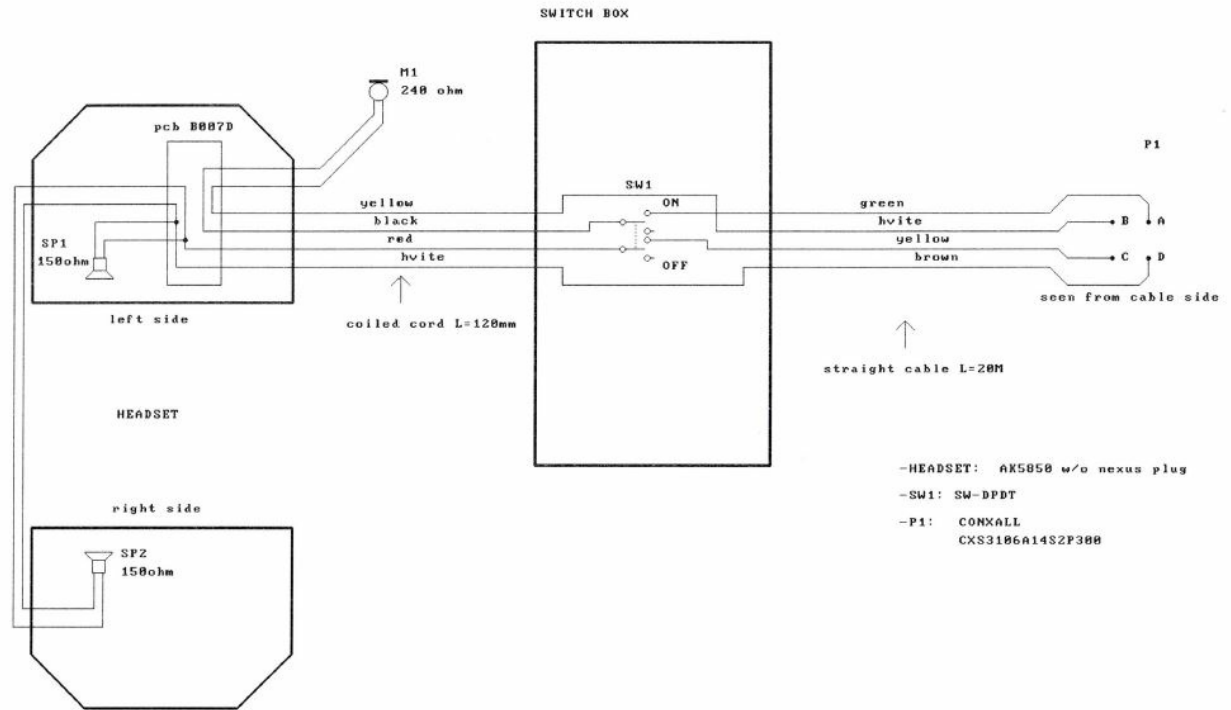

Applications

The VSP-36-PELP-A/20 headset can enhance communication in noisy environments and other workplaces, where the workers need to be connected to their 2-way handheld or fixed systems throughout the day to help facilitate frequent contacts with co-workers.
