WD Purple 4TB Surveillance Hard Drive

4TB Hard Drive

- Capacity 4 TB
- Interface SATA
- Form Factor 3.5 Inch
- Disk Speed (RPM) 5400rpm

Description

The 4TB Hard Drive WD Purple Surveillance is designed to meet the challenges of 24x7 video surveillance recording. These drives are engineered specifically for surveillance to help withstand the elevated heat fluctuations and equipment vibrations within NVR environments. An average desktop drive is built to run for only short intervals, not the harsh 24/7 always-on environment of a high-definition surveillance system.

4TB Hard Drive WD Purple Surveillance

With WD Purple drives, you get reliable, surveillance-class storage that’s tested for compatibility in a wide range of security systems. Exclusive AllFrame™ technology helps reduce frame loss and improve overall video playback.

IntelliSeek Technology helps reduce damaging ambient noise and vibrations. The product is designed for both DVR and NVR security systems, and is compatible with many of the the leading surveillance and security manufacturers.
