## Description

The SPMO-35W-BK-EN54 is a 50W 100V two-way monitor loudspeaker which has an attractive design, provides excellent sound quality, and is compliant to EN54-24. The loudspeaker is fitted with a 100V transformer which has four power adjustment tapings of 30W, 15W, 7.5W and 2.5W, plus a low impedance setting (8 Ohms). The SPMO-30W-BK-EN54 has an impact and UV resistant black ABS body, which provides good longterm stability and is sealed to the IP65C environmental standard.
