Public Address Voice Alarm Commercial Audio

Description

The SPPB-10W-50-EN54 is a 10W 100V bidirectional sound projector loudspeaker which has two 5” (130mm) fullrange chassis providing excellent sound quality with speech and background music, and which is certified to EN54-24. The loudspeaker is fitted with a 100V transformer which has four power adjustment tappings of 10W, 6W, 3W, and 1.5W.

The SPPB-10W-50-EN54 has a robust powder coated aluminium housing, which is sealed to the IP65 environmental standard. Thus, the loudspeaker is sealed against the ingress of dust, and is sealed against water jets. As standard the loudspeaker is coloured to match RAL9010 ‘Pure White’.

This loudspeaker is optionally available with a DC blocking capacitor fitted, in order to provide compatibility with DC loudspeaker line monitoring systems. The part number for this DC monitoring compatible version is SPPB-10W-50-EN54-DC
