Description

To install the loudspeaker:

- ✓ Fasten the loudspeaker to the wall/ceiling with two screws through the foot bracket.
- ✓ Remove the lid by 1 screw, lead cable trough cable gland, select required tapping, and connect to the terminal
- ✓ To change the position of the loudspeaker please adjust the bracket (by loosening/tightening the screws) as required.

For optimum performance, always use the correct voltage/power and operate within the frequency limits as stated. Do not open the loudspeaker when energized.
