

1RU Cable Bar with Brush Strip 74mm hoop

Description

This cable management bar provides an innovative solution for supporting cables. The 1RU bar also includes a brush strip feature which provides access into the rear of the rack, having a brush instead of an open channel encourages the flow of air within the rack.

Features and Benefits

- 1RU Height
- Integrated brush strip
- Ability to pass patch cords to the rear of cabinets without affecting airflow
- 19" Rack Mountable
- Will fit any 19" rack

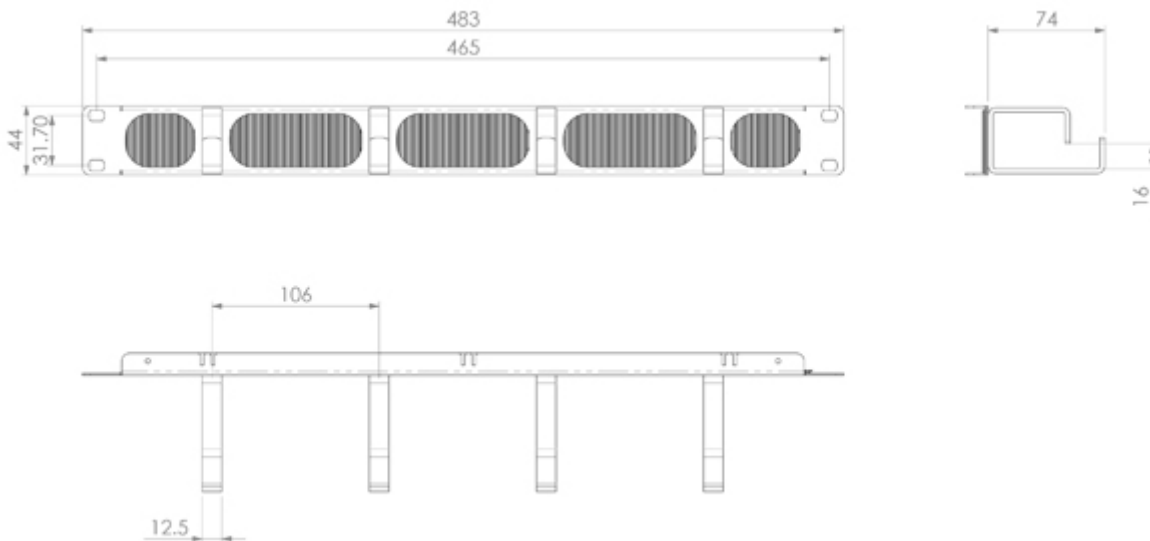

Applications

- Data centers, premise installations, telecommunication networks
- Data communication
- Ethernet, Fiber Channel, ATM, LAN, MAN and WAN
- Indoor applications
