Declaration of Conformity, Cybersecurity Vipedia PAVA System

Zenitel develops, sells and manufacturer the Vipedia PAVA (Public Address and Voice Alarm) System.

I hereby confirm that the Vipedia PAVA System with V5 or later software version is compliant to IEC62443-4-2 Security for industrial automation and control systems - Part 4-2: Technical security requirements for IACS components.

For any further clarifications, the undersigned may be contacted.

Kind regards,

Thomas Hægh
CTO
Zenitel
