## Release of Zenitel Connect Pro software version 1.5.0

---

To: All Zenitel Offices & Partners

6 March 2025

### Release of Zenitel Connect Pro software version 1.5.0

Zenitel is pleased to announce the release of Zenitel Connect Pro software 1.5.0. The following files packages are available:

- Zenitel\_Connect\_ICX510\_1.5.0.swu – upgrade package for ICX-510
- Zenitel\_Connect\_VBox\_1.5.0.zip – installation package for a VirtualBox VM
- Zenitel\_Connect\_VMware\_1.5.0.zip – installation package for a VMware VM
- Zenitel\_Connect\_ICX\_1.5.0-node-red.swu – installation package for ICX-510
- Zenitel\_Connect\_VM\_1.5.0-node-red.swu – installation package for VM

### Software upgrade & new installs

Please follow software update procedure at [Software Update \(Zenitel Connect Pro\) - Zenitel Wiki](#)

### IMPORTANT

Due to the new certificate management solution for improved cybersecurity, it is not possible to downgrade from software version 1.5.0 to an earlier version of Zenitel Connect Pro software. If downgrade is required software must be reinstalled completely.

### Release Summary

The release of Zenitel Connect Pro software version 1.5.0 introduces an array of exciting new features designed to enhance cybersecurity, system functionality, and monitoring capabilities. Here's a summary:

- Certificate management - certificate handling for all links, including devices and external interfaces.
- Encryption support - encryption possibility of audio and data links for devices and external interfaces.
- IP-Telephony Service
- Extended system and device monitoring including tone test and button test for the devices
- Node-RED tech preview for Zenitel Connect Pro running on an ICX-510 - this was already available for VM's
- Improved logging and reporting

### Availability / Download

ZCP 1.5.0 is now available on Zenitel Wiki. You can find additional resources and download the software at: <https://wiki.zenitel.com/wiki/Downloads>.

As software updates may be made available at any moment, it is always advisable to check for the latest available version on a regular basis. To be able to download software it is required to log in with a username and password. These can be obtained by sending an e-mail to [alphasupport@zenitel.com](mailto:alphasupport@zenitel.com). Please make sure that we can identify from the mail who you are.

## Your Feedback

If you have any questions related to this bulletin, please contact your local Zenitel sales representative. We look forward to further developing our cooperation in 2025 and are grateful for your continued business and support.
