Release of Zenitel VAIA - the all-in-one Public Address and Voice Alarm system

To: Zenitel Offices & Partners*

May 2026

Introducing Zenitel VAIA

Zenitel VAIA is an ultra-high-density, all-in-one Public Address and Voice Alarm system certified to EN54. Combining DSP, audio routing, EN54-4 battery charging, and patented 4+1 redundant amplifier technology in a compact 1U 19" rack format, Zenitel VAIA delivers 1kW RMS power for space-constrained installations.

This makes Zenitel VAIA the most powerful compact PAVA system on the market, and Ideal for installations where limited space is available and where simplicity and a low user-training-threshold is desired. Designed for mid-sized deployments, Zenitel VAIA combines performance, reliability, and flexibility with fast, straightforward installation.
