

RoHS Compliant

The following information is not a certification, merely a statement describing information obtained from the producer. Only the manufacturer can certify their product to environmental laws.

Environmental laws restrict the use of certain hazardous substances. The manufacturer has indicated that the below-referenced product is compliant with European Union Directive 2011/65/EU, but not as amended by Directive 2015/863 on 22 July 2019.

The RoHS compliance of any product so designated is based upon evidence from the producer (manufacturer) that the part number complies with the RoHS Directive. Mouser Electronics has taken all reasonable steps to confirm producers' statements and other evidence regarding the absence of the restricted substances to support the manufacturers' claim of compliance.

To the best of our knowledge, the below-referenced product is RoHS compliant according to the producer's documentation.

Date: 14.10.2020
Mouser Part No: 455-84460324
Mfr.'s Part No: K702021
Mfr.: HUBER+SUHNER
Description: Antennas Railway Antenna 410 to 470 MHz

This information is valid when RoHS Compliance is indicated on your packing list from Mouser Electronics, Inc.
